Dear Parent/Carer,

Throughout the year we plan to take your child on local visits and walks to enrich the learning experiences and opportunities we offer. Such activities may include visiting our local schools, community venues and parks, our Spring Bonnet Parade, visiting the local church, studying the local area for example the river and taking part in a series of school swimming lessons which are held at Goodwin Sports Centre, led by Shoals Swim School (for Y4 and IR children). Most visits will involve the children walking to the event. Some, will involve a coach journey to the venue such as the swimming sessions. All will be supervised and led by our school staff.

To save both you and ourselves the task of filling in collecting in numerous permission slips for each visit, we ask parents to fill in one permission letter for such trips. We will inform you of the specific events/activities via our normal communications such as the newsletter and task sheets but it saves the need for individual permission slips each time. For trips further afield we do still ask for individual permission slips. Without the permission slip being returned we will be unable to allow your child to participate in such activities.

Please would you return the permission slip below in order that your child can participate in such activities. This permission slip will be used for this academic year.

Yours sincerely,

Mr W Allen
Head teacher
