ASSEMBLIES THIS WEEK

During Tuesday's assembly, children received their merit certificates. Pupils were praised for their efforts and for embracing our school values.

Today's assembly was all about our language of the half term - Cantonese. Ayden in Y6 had created a presentation about Hong Kong which he and his friends shared with the whole school.

Mrs Thorlby also spoke to the children about arrangements for next Friday's 'Summer Festival'.

UPCOMING CALENDAR DATES

- King Edwards - 6th July all day

WEEKLY NGJS HISTORY FACT

There are many original Victorian features that remain around our school building. This includes traditional flower designs on our cast iron radiators around school.

LANGUAGE OF THE HALF TERM

The language of this half term is Cantonese.

NGJS AROUND THE WORLD FESTIVAL - NEXT FRIDAY 16TH JUNE!

The festival is now only a week away and we are all getting ready for what should be a really fun afternoon. There are a few things we wanted families to be aware of, so please take a moment to read the following:

Each class will be running a stall. We will be sharing details of what these will be next week. Children will need to use tokens to take part in these activities. We will be selling tokens at lunchtime and after school on Tuesday, Wednesday, Thursday and Friday next week. Tokens can be brought in strips of 5 for £1. Additional tokens will be available to buy on the day, but it might be worth stocking up in advance to avoid long queues!

We are collecting donations of bottles and gift bags for a bottle tombola. Thank you to those who have already sent theirs in. Can we ask that donations are brought to the main office by the end of the day on Tuesday 13th June?

Along with the international food stall, we will also have a cake stand. We would be grateful of donations of cakes and bakes and these should be brought to the main office by Friday morning. Can you please ensure that they do not contain nuts and that if you have baked them yourselves, that a list of ingredients is included. Anyone else who wants to contribute to the international food stall should email us at friendsofnethergreen@gmail.com. It's not too late!

We will be selling international food, cakes and hot dogs as well as hot drinks for adults. Children will be able to re fill their bottles with squash free of charge. Alongside the stalls and games run by each class, there will be the opportunity to have henna art done, have your face painted or hair braided and parents can of course partake in the bottle tombola. We will be accepting cash payments for these activities not tokens.

We are still looking for volunteers to help on the day with setting up, running a stall and clearing up. If you can help, please email friendsofnethergreen@gmail.com.

Thanks and see you all there!

NO DOGS ON THE SCHOOL SITE

A polite reminder that dogs are not allowed on any part of the school site due to health, safety and hygiene reasons.

Some of our children are scared/wary of dogs and we want school to be a safe space for them.

Any parent/carer bringing a dog on to the school site will be asked to remove them.

You are welcome to wait with your dog inside the top gate as you drop off and collect your child/children.

Thank you for your support and understanding in this matter.

CRUCIAL CREW

Y6 had a very informative and eye - opening day at Crucial Crew. They learnt about water, fire, road and bus safety, arson, child exploitation and county lines as well as knife crime and the youth court.

Hopefully, this experience has made them more aware about how to keep themselves safe in various situations, as well as knowing what their responsibilities are as they grow older and become more independent.

The children should be very proud of how well they behaved, listened and contributed.
