### SFSS Primary Schools Cross Country Race 1 Bolehills – Saturday 16<sup>th</sup> September

Dear Parent/Carers,

This Saturday, the first SFSS Primary Cross Country Race of the year will be taking place at Bolehills (S6 5DG). As this is the first race of the year, the streets around Bolehills can be incredibly busy and therefore parking can be a challenge. I would recommend parking a little further away and walking to the venue or arriving at an earlier time if you want/need to park in close proximity.

The official race meet time is 9.30am at the NGJS flag, with the first race (Y3/Y4 girls) starting at 10am. If you would like your child to walk the course prior to the races starting, the organisers have asked for this to happen between 9.15 – 9.30am. At the NGJS flag, a representative of the school will be there to ensure your child is registered and ready for the races to commence.

If your child already owns a NGJS running vest from previous seasons, please ensure they bring this to the race as we do not have enough vests to provide all runners with a new one. If your child is in Y3 or new to cross country for this academic year, running vests will be provided at the venue for them to run in and to keep for the season.

Your child will also need to wear shorts or thin trousers/tracksuit bottoms and a pair of well done up trainers or football boots (it can be very muddy). In the event of cold weather, they may also wish to wear a hat, gloves or jumper/coat to keep warm before and after the race.

It would be amazing to see as many runners representing Team Nether Green as possible at this first cross country race of the year. Last year, we achieved some tremendous individual and team results, but most importantly we had loads of children running with a smile on their face and embracing the challenge! I am looking forward to another successful cross country season!

See you at the NGJS flag!

Best wishes,  
Mr Hancock
