Friday 15th September 2023

Dear Parent/Carer,

Local visit – Endcliffe Park

As part of our 'How should we power our World?' project, we are planning a visit to Endcliffe Park to study the local environment.

The visit will take place on **Thursday, 28th September**; we shall be leaving after morning registration and will return to school in time for lunch. If extreme weather is forecast the trip will be cancelled and we shall stay in school.

You do not need to complete a permission slip for this trip as it is covered by the consent form that you previously signed for local visits.

We do need three parent volunteers to help with this visit. If you are able to help, please complete the slip below and return to school. Your help will be much appreciated.

The children will need to dress appropriately for the weather (comfortable shoes for walking, raincoat, sun hats etc.)

They will need a drink with them as well as a snack for break time. They will also need any medication they require for the day, clearly labelled please.

Please ensure that the school office has your latest details and all medical information is up to date.

The emergency contact for the visit will be members of staff in the school office.

Yours sincerely,

The Year 6 Team

Local visit – Endcliffe Park

I am able to help on the visit to Endcliffe Park on Thursday, 28th September.
