Wednesday 6th September 2023

Dear Parents and Carers,

A very warm welcome back to school! I hope you had a wonderful holiday and are ready for a busy and exciting term ahead. A special welcome to new pupils, parents/carers and staff to our school; I hope that you will be very happy here.

It was lovely to see all the children coming through the gates as the new school year begins. The children have blown me away with their impeccable manners and positive attitude to school life. We know that a strong partnership with you will make a significant difference in your child's education. I will continue to build on the successes from last year and I would like to thank you in advance for the support that I know you will give both to your children and the wider school community.

We send regular newsletters so please ensure you read them carefully, so you are clear about the events taking place this term. We recognise that to be successful in school, our children need support from both home and school.

A reminder of the dates for the parent information evenings next week, where you will have an opportunity to meet the year group teachers and ask any questions that you may have. Please enter the school through the main entrance via the bottom gate.

Y6 parent/carer information evening – Monday 11th September at 6pm
Y5 parent/carer information evening – Tuesday 12th September at 6pm
Y3 parent/carer information evening – Wednesday 13th September at 6pm
Y4 parent/carer information evening – Thursday 14th September at 6pm
IR parent/carer information afternoon – Friday 15th September at 2:15pm

We have launched a new website for the school with the aim to improve communication and provide a platform to showcase our school and what it has to offer. Here is the link to the website:

<https://nethergreenjuniorschool.co.uk/>

Please continue to check the website for daily updates and publication of any correspondence sent out to you. The website is in its infancy and will evolve overtime, so please bear with us if we encounter any technical issues. Later this term, we will provide opportunities for parents/carers, alongside parent governors, to review the website and give us feedback on the positives and areas for improvement.

Yours sincerely,

Mr Allen
