Dear parent/carer,

Does your child spend time exploring online?

The internet's a great place for children to learn, create, chat with friends and family, access information or support and explore fun apps, sites and games. But exploring comes with risks, so it's vital we know how to keep them safe online.

That's why we'd like to invite you to join our FREE workshop: 'Keeping children safe online'.

Our workshop will:

- Help you understand how kids experience the online world
- Show you resources and tools that could help keep them safe
- Empower you to guide them on their journey

We will cover 4 topics within the session and these include:

- Online bullying
- Gaming
- Mental health and well being
- Parental Controls

For: parents, carers and family members (this workshop is for adults so please arrange childcare if possible)

Location: Nether Green Junior School – Main Hall

Date: Tuesday 21st November

Time: 6pm until 7pm

Price: free

Delivered by: NSPCC – Local Campaign Manager Gail Sayles
