Monday 22<sup>nd</sup> January 2024

Dear Parent /Carer

As part of our project 'What did the Romans do for me?' we have arranged for Kathryn Parker from 'The History Van' to visit our school on **Friday 2<sup>nd</sup> February**. Each class will undertake a 'Romans in Britain' workshop, which will involve the children completing a number of activities throughout the day. These topics will enrich the children's learning on the Ancient Romans and will provide opportunities to extend their current understanding.

- Soldiers in Control – Drills and Kit
- Clothes, Togas & Armour
- Roman Technologies 1 – Numbers, Weights, Coins & Signals
- Roman Technologies 2 – Arches and Catapults
- Offerings and Writing
- Roman Games

These activities will be taking place during the normal school day.

We are asking for a voluntary contribution of **£4** to cover the cost of the experience. If your child qualifies for Pupil Premium then no payment is required. Under current legislation, we may only seek voluntary contributions. However, without people matching their voluntary contributions to the true cost, it can be difficult to organise these events. The school's policy of wishing to help anyone experiencing financial difficulties still exists.

Payment should be made via ParentPay or in cash by **Tuesday 30<sup>th</sup> January**.

This promises to be a really enriching experience for the children, and we are so looking forward to them gaining a lot of knowledge from the day.

Best wishes,  
The Y4 Team
