Thursday 22nd February 2024

Dear Parents /Carers,

Book Fair

The Scholastic Book Fair will be running in school from Tuesday 27th February until Friday 1st March. It will open every day at lunchtime from 12 – 12:30pm. All the children will have the opportunity to visit the book fair with their class teacher during the week. This will give them a chance to browse in a quieter environment.

We will open the book fair to parents and carers after school from 3.35 until 4 pm on, Tuesday Wednesday, Thursday and Friday in the school hall.

Purchases can be made in cash. If you prefer, you can purchase vouchers online for your children to use. These can be bought at www.bookfairs.scholastic.co.uk.

Pupils will receive their £1 token in time to receive a £1 discount on any book at the fair. These are also redeemable in many bookshops.

We get 60% commission on our book sales which all go towards providing the children with great reading material in their classrooms and the library.

With thanks for all your support,

Mrs Charlesworth
Assistant Headteacher, English Lead.
