Friday 8<sup>th</sup> March 2024

Dear Parent/Carer,

This year, we are hoping to continue our tradition of making spring models and bonnets.

Model entries for the year group competition can be displayed in school from Monday 25<sup>th</sup> March to Wednesday 27<sup>th</sup> March when they will be judged. We have had some amazing entries in previous years and really hope that as many children as possible will be able to make a model. All exhibits should be taken home at the end of school on Wednesday 27<sup>th</sup> March or they will be disposed of.

The themes for the year group model challenge can be seen below.

IR	Make a spring themed wreath using a paper plate
Y3	Make a chick or bunny. Be as creative as you can be!
Y4	Design a vehicle that can transport an Easter bunny or Spring animal safely from one point to another.
Y5	Use your baking or sewing skills to create a Spring chick, lamb or Easter bunny themed product that could be sold in a shop.
Y6	Create an egg launcher that will fire a small toy egg or sweet as far as possible (ensuring that there is nobody in the way first!).

Spring bonnets should be brought to school on Thursday 28<sup>th</sup> March. Weather permitting, we will parade them up to Nether Green Infant School at around 1:40pm. Parents/ carers are very welcome to stand by both schools to see the children. There will be prizes for the most creative bonnets.

Parents/carers may collect their children from the school playground at 3.35pm as normal.

Yours faithfully,

Miss Hopkins and Miss Bartlett
