Friday 22nd March 2024

Dear Parent/Carer,

Next week in Year 4, we are creating a battery powered lamp in Design and Technology. We are going to use an electric circuit to make the lamp work, however the rest of the lamp will be made up of recycled objects. If you have any used containers or boxes that could be brought in, that would be greatly appreciated. Examples of containers/boxes are; milk cartons, yoghurt pots, cereal boxes, other small boxes and plastic bottles.

Please can these recycled objects be brought in by Tuesday 26th March 2024.

Thank you for your help.

Miss Hopkins, Miss Hawkins and Mr Hancock
