Friday 19th April 2024

Dear Parent/Carer,

On Thursday 2nd May, as part of our science topic "What is the purpose of plants in our eco systems?" Y3 will be walking down to the Botanical Gardens to observe, discuss and sketch plants. Our work in the gardens help us apply our learning about plants. Weather permitting, we will leave school at 10am and return at approximately 3.00pm. There is no charge for this visit.

Pupils need to bring a packed lunch, snacks and drinks for the day. We would also like to remind you not to include any nuts in your child's packed lunch. We will be eating our lunch outside in the gardens (weather permitting), so children should bring a warm and waterproof coat and appropriate footwear for walking or sun cream if weather appropriate. They also need to bring any medication they require for the day clearly labelled.

Please ensure that the school office also has your latest contact details and all medical information is up to date. *Please also note that your child may be photographed as part of the trip and their photo used to promote the event or celebrate back in school.*

The emergency contact for the visit will be Mrs Kerry Jow in the school office. If the visit is unable to go ahead because of the weather conditions we will stay at school for a normal school day, finishing at 3.35 pm.

We would like at least two parents/carers from each class to support on the trip. If you are able to help on the day, please email Y3@nethergreen-jun.sheffield.sch.uk. To give permission for your child to attend, please tick the box on Parent Pay by Friday 26th April 2024.

Yours sincerely,

The Y3 Team
Miss Bartlett, Mrs Charlesworth, Mrs Pickles and Mrs Wing.
