Monday 22nd April 2024

Dear Parents/Carers,

Last half term we held a Life Skills Consultation evening in school to discuss the Life Skills Curriculum and Curriculum intent. This was an opportunity to share some of the content of the Curriculum and structure of Life Skills lessons and to give our parent community the chance to express their opinions on the Curriculum. However, we mistimed this event as it was during Ramadan, and therefore, we would like to add an additional date of **Wednesday 8th May 2024 at 6pm** to maximise attendance and parental engagement.

We believe that promoting the health and wellbeing of our pupils is an important part of their overall education. We do this through our Life Skills Curriculum. The Life Skills curriculum covers many topics including all kinds of relationships, physical/emotional health and the skills needed to live in the wider world. The aim of our Life Skills curriculum is to help pupils make safe and informed decisions during their school years and beyond.

Relationships and health education (RHE) is the statutory element of our Life Skills curriculum and all schools in England are required to teach RHE.

Please indicate if you would like to attend this event on the form below.

Mrs Handley
(Life Skills Coordinator)
