Friday 17th May 2024

Dear Parent/Carer of Year 5 Pupil,

We are arranging a residential visit for all the children who will be Y6 pupils next year, to the Robinwood Activity Centre at Maes- y- Nant, Cross Lanes, Wrexham. It will offer the opportunity to sample a number of outdoor adventure activities and develop interpersonal skills. Please visit their website for further details.

The visit will take place from Monday 20th January to Wednesday 22nd January 2025.

The cost for the 3 day/2 night residential visit is estimated to be £250 per child, this includes travel, food, instructor led activities and accommodation. The remainder of the cost will be subsidised by school through fundraising events throughout the year. The cost has increased significantly this year due to rising costs.

Any child not going on the trip will be accommodated in other classes in school on these dates.

We apologise for asking you to make a commitment so early but we need to secure our booking at this venue and make a financial commitment to the centre during this current term.

If you wish to reserve a place for your child, please make a non-refundable deposit payment of £50 by **Friday 7th June**.

It is important to inform us if your child will **NOT** be taking part in this visit. This can also be done on Parentpay.

If your child qualifies for Pupil Premium we only need your confirmation of their intention to take part. This can be done via Parentpay. No payment is required.

A meeting for parents and carers will be held prior to the visit and there will be an opportunity to learn more about the visit.

Yours sincerely,

The Y6 Team
