Wednesday 19th June 2024

Dear Parent / Carer,

On Wednesday 3rd July, Y4 will be walking to Endcliffe Park to carry out an invertebrate hunt to enrich the learning in our science project. Weather permitting, we will leave school at 11:30am to have a picnic in the park, carry out the hunt and play some team building games. We will return at approximately 3:00pm. If it is too wet, the visit will be cancelled and we will have an indoor 'picnic' and complete the invertebrate hunt at school.

Please give permission for your child to attend this trip via ParentPay.

We would welcome additional adult support. If you are able to walk to the park and back with us and would like to join us for the afternoon, please indicate on ParentPay.

Children will need to dress appropriately for the weather (sunhat, suncream, sensible shoes for walking, a light coat in case of rain). They should also bring a snack, packed lunch and plenty to drink in a resealable bottle. Please remember not to include any nuts or foods containing nuts in their packed lunch. They also need to bring any medication they require for the day clearly labelled.

The emergency contact for the day will be staff in the school office. Please ensure that the school office also has your latest contact details and medical information is up to date.

We are looking forward to our visit.

Miss Hopkins, Mr Hancock and Miss Hawkins

The Y4 Team
