### PLEASE COMPLETE DETAILS ON PARENTPAY

Dear Parent/Carer,

Throughout the year we plan to take your child on local visits and walks to enrich the learning experiences and opportunities we offer. Activities may include visiting local schools, community venues, parks and churches, our Spring Bonnet Parade, studying the local area and taking part in a series of school swimming lessons. Most visits and activities will involve the children walking to the event. Some will involve a coach journey to the venue such as the swimming sessions. All will be supervised and led by our school staff.

To save the need for consent for every local visit/activity, **we are asking you to give your consent/decline consent now on ParentPay.** We will inform you of visits/activities via our normal communication method.

For visits/activities further afield, we will still ask for consent to be given separately.

Without your consent we will be unable to allow your child to participate in local visits/activities.

Yours sincerely,

Mr W Allen  
Head teacher
