Friday 4th October 2024

Dear Parents/Carers,

On Wednesday 16th October, Y4 will be taking part in an 'Ancient Greeks Day' as part of our project: 'Who were the Ancient Greeks and what legacies did they leave behind?'

We have planned for the children to complete a number of activities across the day. These are:
Mini Olympic Games **Designing their own Mythical Creature**
Wreath Making **Greek Mosaics**

The children will also be preparing a Greek salad in our kitchen area. They will do this in small groups, and will provide an opportunity for them to develop their cutting skills using our safety knives. Before the end of the day, the children can choose whether they would like a taste of this traditional starter.

The ingredients for the Greek salad are: **cucumber, tomatoes, feta cheese, olives, oregano and olive oil.** **Please indicate on ParentPay if your child is allergic to any of these items** (if your child is not allergic to any of the ingredients listed, you do not need to complete the form).

In terms of dressing up for the day, there is no obligation for your child to wear an 'Ancient Greek' outfit. However, if they would like to wear something then they are more than welcome to do so. Here are some potential ideas:

This promises to be a really exciting day and a lovely way to finish our first project of Y4.

Best wishes,

The Y4 Team
