Wednesday 27th November

Dear Parent/carer,

Our Arts Council have organised a Winter Decoration-making competition to run during the next few weeks. They are inviting all pupils to get creative and have a go at making a hanging decoration for the school Christmas tree. Decorations can be made from any material and be any shape relating to a winter theme.

If your child would like to enter the competition please ensure:

- The decoration has a loop to hang it on the tree
- It is labelled with your child's name and class

They should place their decoration on the Christmas tree in the hall by Monday 16th December at the latest.

The Arts Council will then judge the entries and award prizes to the winners.

We hope you enjoy this chance to be creative!

Many thanks,

The Arts Council
