Message from the Headteacher

What a great week it has been! On Tuesday morning, the snow transformed our school grounds into a winter wonderland. We made sure every child had the chance to experience playing in the snow and it was wonderful to see everyone enjoying themselves out on the playgrounds.

On Wednesday, a group of parents attended our Y5/Y6 parent/carer Reading Workshop, led by our English Lead, Mrs Charlesworth. Thank you to everyone who attended, your engagement and support makes such a difference to your children's learning journey.

This week, our Y4 classes were lucky to have a parent, who is a doctor, visit to talk about the digestive system, as part of their science learning. The children were completely fascinated and absolutely loved the session! A big thank you to Dr Reid, who took the time to share his knowledge in such an engaging way. It's always a delight to see our school community coming together to enhance the children's learning experiences.

A quick update for our Y3/Y4 parents and carers, the Maths Workshop has been rescheduled and will now take place on **Tuesday 3rd December**. We hope you can join us then.

Our phase assemblies this week were singing together. Today's assembly was led by Mrs Charlesworth, who read a story about friendship. She also revisited key messages from anti-bullying week.

We hope you all enjoy the weekend and have fun!
