Candles in the window
Shadows painting the ceiling
Gazing at the fire glow
Feeling that gingerbread feeling
Precious moments
Special people
Happy faces
I can see

Somewhere in my mem'ry
Christmas joys all around me
Living in my mem'ry
All of the music
All of the magic
All of the fam'ly home here with me

Somewhere in my mem'ry
All of the music
All of the magic
All of the fam'ly home here with me

Sparkle and Shine

Ooh-ooh, ooh-ooh

Ah

Ooh, ooh, ooh

Solo

Okay, everybody, clap your hands

I'm a superstar, and I'm coming out tonight

All

I've had a little makeover

And I'm all dressed up tonight

A fizzy drink, a cheeky wink

We'll have some fun tonight

Stand back and put your shades on

'Cause I'm about to shine

My blinding light will throw you

'Cause there's no starlight like mine

Ooh-oh, ooh-oh

Sparkle and shine

Planets gather 'round

Sparkle and shine

Let's all make a dazzling sound

Here's something you won't believe

It's the first time ever Christmas Eve

I've got my light within me

And it's coming out for you

I'm dizzy with self-confidence

Hope you can feel it too

I'm lighting up the skies tonight

So, come on, join the party

Make the moment last all night

And keep the stars all starry

Ooh-oh, ooh-oh

Ooh-oh, ooh-oh

Sparkle and shine

Planets gather 'round

Sparkle and shine

Let's all make a dazzling sound

Here's something you won't believe

It's the first time ever Christmas Eve

Let it Go

Link: <https://www.youtube.com/watch?v=ifCAfAzOBJM>

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen

The wind is howling like this swirling storm inside
Couldn't keep it in, heaven knows I tried
Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well, now they know

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door
I don't care what they're going to say
Let the storm rage on
The cold never bothered me anyway

It's funny how some distance makes everything seem small
And the fears that once controlled me can't get to me at all
It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me
I'm free

Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry
Here I stand and here I stay
Let the storm rage on

My power flurries through the air into the ground
My soul is spiralling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back, the past is in the past

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone
Here I stand in the light of day
Let the storm rage on
The cold never bothered me anyway

It Feels Like Christmas

Link: <https://www.youtube.com/watch?v=H2fiPz-Ivsg>

It's in the singing of the street corner choir
It's going home and getting warm by the fire
It's true where ever you find love it feels like Christmas

A cup of kindness that we share with another
A sweet reunion with a friend or a brother
In all the places you find love, it feels like Christmas

It is the season of the heart
A special time of caring
The ways of love made clear
And it is the season of the spirit
The message if we hear it
Is make it last all year

It's in the giving of a gift to another
A pair of mittens that were made by your mother

It's all the ways that we show love
That feel like Christmas

A part of childhood that we'll always remember
It's the Summer of the soul in December
Yes, when you do your best for love
It feels like Christmas

It is the season of the heart
A special time of caring
The ways of love made clear

It is the season of the spirit
The message if we hear it
Is make it last all year

It's in the singing of a street corner choir
It's going home and getting warm by the fire
It's true where ever you find love
It feels like Christmas
It's true wherever you find love
It feels like Christmas

It feels like Christmas
It feels like Christmas
It feels like Christmas
