Friday 6th December 2024

Dear Parent /Carer,

As part of our next project 'What did the Romans do for me?' we have arranged for Kathryn Parker from 'The History Van' to visit our school on **Friday 31st January 2025**. Each class will undertake a 'Romans in Britain' workshop, which will involve the children completing a number of activities throughout the day. These topics will enrich the children's learning on the Ancient Romans and will provide opportunities to extend their current understanding.

- Soldiers in Control – Drills and Kit
- Clothes, Togas & Armour
- Roman Technologies 1 – Numbers, Weights, Coins & Signals
- Roman Technologies 2 – Arches and Catapults
- Offerings and Writing
- Roman Games

These activities will be taking place during the normal school day.

The cost of this event is £4 per child. Under current legislation we may only seek a voluntary contribution. Sadly, without people matching the voluntary contribution, it will be very difficult to organise the visit.

If your child qualifies for Pupil Premium, no payment is required, however your consent on ParentPay is still required.

To give permission for your child to take part and make payment please complete details on ParentPay.

This promises to be a really enriching experience for the children, and we are so looking forward to them gaining a lot of knowledge from the day.

Best wishes,

The Y4 Team
