Friday 6th December 2024

Dear Parents/Carers,

On Monday 9th December, Y4 will be making a sandwich as part of our Design and Technology project. They will do this in small groups in our kitchen area and it will provide an opportunity for them to develop their food technology skills using our safety knives.

The children will be making a nutritious sandwich and they can choose from the following ingredients: **brown bread, cucumber, tomatoes, cheddar cheese, margarine, lettuce, hummus and turkey.**

They will not be eating the sandwich in school, as they are to be taken home, but they will be touching the ingredients.

Please confirm on Parent Pay whether your child is allergic to any of the ingredients listed above.

If they are NOT allergic to any of the ingredients, you DO NOT need to complete the form

Please send your child to school with a **labelled container** or a **sandwich bag** in order for them to transport their delicious sandwich home.

Best wishes,

The Y4 Team
