Friday 10<sup>th</sup> January 2025

Dear Parent /Carer,

### Zoolab – Thursday 30<sup>th</sup> January 2025

As part of our project 'Why do we need Rainforests?', we have arranged for Zoolab to visit our school on **Thursday 30<sup>th</sup> January**. Each class will have a 'Rainforest Discovery' workshop led by a Ranger.

The children will be finding out about the location and layers of rainforests, discuss the adaptations of rainforest animals and examine the reasons for deforestation. The rangers will bring in a variety of animals for the children to handle e.g. a Madagascan hissing cockroach, a Giant African train millipede, a Giant African land snail, a stick insect, a tarantula, a snake and a tree frog.

The workshops will take place during the school day.

We are asking for a voluntary contribution of **£6.50** to cover the cost of the experience. If your child qualifies for Pupil Premium no payment is required. Under current legislation we may only seek voluntary contributions. However, without people matching their voluntary contributions to the true cost it can be difficult to organise these events. The school's policy of wishing to help anyone experiencing financial difficulties still exists.

**Please give consent and make payment on ParentPay.**

Yours sincerely,

The Y6 Team
