

Message from the Headteacher

Another fantastic week at school, full of exciting opportunities and wonderful achievements!

Our Year 3 and 4 children had a fantastic time taking part in a tennis taster session. It was great to see them developing new skills and having so much fun with the tennis leaders! The year 3 classes also enjoyed a brilliant trip to Weston Park Museum, where they explored fascinating exhibits and brought their classroom learning to life.

Six of our children had an exciting opportunity this week to represent the school in the Sheffield Primary Schools Bouldering Competition Final at the Climbing Works. They showed amazing determination, perseverance and teamwork and were a credit to the school. An extra well done goes to Joe, who got a gold medal in the individual category and Aurelia, who won a prize for her perseverance. Nether Green is very proud of the whole team. They were a credit to our school, and we are so proud of them!

I had the pleasure of leading our celebration assembly once again, which was full of incredible achievements. One of the highlights was seeing how much the children support and encourage each other. We had other assemblies this week about the Hindu festival of Holi and Dyslexia, the aim of these assemblies was to recognise and celebrate our differences. In addition, our phase assembly focused on the music of the half term, which is big band and swing music.

Meanwhile, our Year 4 pupils are in full swing with rehearsals for their upcoming performance in the last week of this half-term. They are working incredibly hard, and we can't wait to see them perform to parents and carers on stage!
