

Message from the Headteacher

I hope everyone had a lovely and restful two-week break - it's been great to welcome the children back. Although it's been a short first week back, it's certainly been a busy and exciting one! It was absolutely wonderful to see all the fantastic DT projects and beautifully decorated Spring bonnets - what an amazing effort from all the children. The parade up to the infant school was a real highlight, and we were so lucky to have such lovely weather for it too. A huge thank you to all of you for your support. The children should be so proud of themselves for getting fully involved and making it such a great event.

We also kicked off the new term by celebrating some lovely achievements, including last half term's Headteacher Award winners. It was the perfect way to start positively.

Wishing you all a restful long weekend, and we look forward to welcoming everyone back on Tuesday.

World Maths Day

56789

Wednesday 26th March was World Maths Day when millions of students from around the world showed up to compete, calculate and celebrate mathematics. To celebrate the day in school, most of our children completed 100 calculations based on times tables. So, over the entire school, over 30,000 calculations were completed on that day!

In each class, the 3 children who completed the calculations the quickest were awarded a prize. Also, the 3 quickest children in each year group were given a prize. The winners were:

Y3 - Bobby, Charlie and Aavya

Y4 - Fred, Loic and Adnan

Y5 - Joe, Henry and Zack

Y6 - Martin, Filip and Uzman

Well done to all of you!
