

## Message from the Headteacher

As we come to the end of another brilliant school year, I want to take a moment to reflect and thank you all for the part you have played in making it so special.

This morning, we held a fantastic celebration assembly to mark the end of the year and to say a heartfelt goodbye and good luck to our wonderful Year 6 pupils as they prepare for the next part of their journey. I shared how incredibly proud I am, not just of Year 6, but of every single child in our school for their efforts, achievements and the way they contribute to making our school such a special place to be.

We also took the opportunity to thank all our staff for the dedication and care they show every day in creating an environment where our children can thrive.

During the assembly, we presented our Headteacher Awards for this half term, our Pupil of the Year awards. All of the names are listed on the next page. We also presented the special Year 6 awards, revealed the final house standings for the year and announced Originals as our overall house winners, which was met with great excitement and cheering from the children. A big well done to all the houses for their effort throughout the year. We were also proud to announce our new House Captains, who worked incredibly hard on their presentations and were chosen through a vote by their house teams. More will be revealed next year about the vital role they will play next year.

Finally, I want to say a huge thank you to all parents and carers for the overwhelming support you give us throughout the year. It is a real privilege to be part of such a strong and supportive community with the children firmly at the heart of everything we do.

I wish you all a lovely summer break filled with rest, fun and time with your family and friends. We look forward to welcoming everyone back in September.
