### Maths and English

Each child has a bespoke lesson plan in order to meet individual targets. Birmingham toolkit is used for this in the areas of; Reading, Writing, Speaking and Listening and Maths.

Locke and Beech profile, and the EYFS curriculum is used for some of our children; who require a further breakdown of steps.

We ensure that all children receive carefully planned intervention to support with their learning. Interventions occur on a daily basis; with each child accessing a bespoke timetable for this.

### PE Days

The IR PE lesson is on a Friday afternoon; this will be for those who are not integrating during that time.

If your child is integrating for PE, please check their year group newsletter for the PE days. For these lessons, they will need:

A NGJS PE top, dark shorts/tracksuit bottoms and appropriate footwear. These timings will be shared with you as soon as possible.

### Swimming

We will continue to swim on a Monday afternoon; starting 8/9/25. Your child will need a labelled rucksack which contains their swimming costume and towel. Please send your child dressed in suitable clothing, to make it as easy as possible for your child to change independently. They will also need a waterproof bag for their wet clothes. We will leave school at 13:15, and aim to return to school for 15:00

### Life skills

We embed life skills throughout all aspects of our school day, in addition to taught sessions. Each child has specific targets to work towards in addition to their EHCP outcomes. These are reviewed regularly by the team.

For whole class learning, we focus on understanding the world, our own and others' emotions, problem solving, independence skills, baking and gardening.
