Thursday 13th November 2025

Dear Parents and Carers,

To consolidate and enrich the children's learning of our science project 'What is the solar system and how does it affect day and night?', we have arranged for the 'Wonderdome Planetarium' to come into school on **Friday 5th December**.

Wonderdome is an interactive show focused around the planets of the solar system. We are sure that the children will find this an entertaining and exciting experience.

We are asking for a voluntary contribution of £4.50 to cover the cost of the event. Under current legislation we may only seek voluntary contributions; however, without people matching their voluntary contributions to the true cost it can be difficult to organise these events. The school's policy of wishing to help anyone experiencing financial difficulties still exists.

If your child qualifies for Pupil Premium, no payment is required however your consent on ParentPay is still required.

To give permission for your child to take part and make payment please complete details on ParentPay.

Yours sincerely,

The Year 5 Team
