Monday 2nd March 2026

Dear Parent/Carer,

This year, we are hoping to continue our tradition of making spring models and bonnets.

Model entries for the year group competition can be displayed in school from Monday 23rd March to Wednesday 25th March when they will be judged. We have had some amazing entries in previous years and really hope that as many children as possible will be able to make a model. All exhibits should be taken home at the end of school on Wednesday 25th March; after this, they will be disposed of.

The themes for the year group model challenge can be seen below.

IR	Make a spring themed wreath using a paper plate
Y3	Make a chick or bunny. Be as creative as you can be!
Y4	Design a vehicle that can transport a Spring animal safely from one point to another.
Y5	Use your baking or sewing skills to create a Spring chick, lamb or bunny themed product that could be sold in a shop.
Y6	Create an egg launcher that will fire a small toy egg or sweet as far as possible (ensuring that there is nobody in the way first!).

Spring bonnets should be brought to school on Friday 27th March. Weather permitting, we will parade them up to Nether Green Infant School at around 1:40pm. Parents/ carers are very welcome to stand by both schools to see the children. There will be prizes for the most creative bonnets.

Parents/carers may collect their children from the school playground at 3.35pm as normal.

Yours faithfully,

Miss Hawkins
