Endcliffe Park Trip 2026

Dear Parent/Carer,

On Wednesday 8th July, Y4 will be walking to Endcliffe Park to carry out an invertebrate hunt to enrich the learning in our science project. Weather permitting, we will leave school at 11:30am to have a picnic in the park, carry out the hunt and play some team building games. We will return at approximately 3:00pm. If it is too wet, the visit will be cancelled and we will have an indoor 'picnic' and complete the invertebrate hunt at school.

Children will need to dress appropriately for the weather (sunhat, suncream, sensible shoes for walking, a light coat in case of rain). They should also bring a snack, packed lunch and plenty to drink in a resealable bottle. Please remember not to include any nuts/ sesame or foods containing nuts in their packed lunch. They also need to bring any medication they require for the day clearly labelled.

Please ensure that the school office also has your latest contact details and medical information is up to date.

Please give consent for your child to attend on Parent Pay.

We would also welcome additional adult helpers for each class. If you are able to help, please email: y4@nethergreen-jun.sheffield.sch.uk and your child's class teacher will get in touch if your help is required.

We are looking forward to our visit.

Miss Horsefield, Mr Hancock and Mr Earl
The Y4 Team
