Monday 1<sup>st</sup> June 2026

Dear Parent/Carer,

As part of the transition process to High Storrs, your child has been identified as benefitting from an additional trip to school to help familiarise themselves with the school and certain members of staff. The visit will take place on **Monday 22<sup>nd</sup> June within school hours, between 1pm and 2:30pm.**

The children will have their lunch as usual at Nether Green and walk from school to High Storrs with our staff. Following their session, the children will walk back and be ready before the end of the school day. The children will need to dress appropriately for the weather (comfortable shoes for walking, raincoat, sun hats etc.) They will need a drink with them.

They will also need any medication they require for the day, clearly labelled please. Please ensure that the school office has your latest details and all medical information is up to date.

The emergency contact for the visit will be members of staff in the school office.

Kind regards,

Olivia Smith
