NGJS Parent/ Carer Survey 2026

Dear Parents/ Carers,

At our school, we are always striving to provide the very best education and experiences for our children. To help us continue improving, we would greatly value your feedback through our Parent Survey.

Your views are extremely important to us. By sharing your thoughts, suggestions, and experiences, you can help us understand what we are doing well and identify areas where we can make further improvements. We carefully consider all feedback and use it to help shape our future priorities and decisions.

Please find below a link to the NGJS Parent/ Carer Survey 2026:

The survey should only take a few minutes to complete, and every response makes a difference. Whether you have positive comments to share or suggestions for how we can do even better, we would love to hear from you.

Thank you for your continued support and partnership. Together, we can ensure that our school continues to grow and provide the best possible environment for all our children.

Many thanks,

Mr W. Allen
Headteacher.
