Friday 12<sup>th</sup> June 2026

Dear Parent /Carer,

We are really excited to be able to offer your child the opportunity to take part in a Robotics workshop as part of the enrichment of the computing curriculum. During the visit, the children will have the chance to explore the theme of artificial intelligence as well as learn about programming and how it works. The visit will be led by Mr Earl.

This workshop will be held at **Sheffield Girls' High School, 10 Rutland Park, Broomhall, Sheffield S10 2PE on Thursday 2<sup>nd</sup> July 2026**. Children need to meet at Sheffield Girls' High School at 8.45am where Mr Earl will greet them. The day will conclude at 3.30pm when parents/carers are asked to collect their children from Sheffield Girls' High School. There is no cost for this visit.

Pupils need to bring a packed lunch and a drink. Please note that fizzy drinks and glass bottles are not allowed. Children must not bring nuts, sesame or items of food containing nuts. Snacks will be provided by the Sheffield Girls' High School on the day; please inform via parent pay if your child has any allergies and / or if you do not want your child to have these snacks.

Children should ensure they are dressed appropriately for the weather and will also need to bring any medication they require for the day, clearly labelled. Please ensure that the school office has your latest contact details and all medical information is up to date.

Please note that the marketing department for Sheffield Girls' High School will be photographing the event. If you do not wish your child to be photographed, please inform us via parent pay.

**To give permission for your child to take part, give photo consent and details of any allergies, please complete information required on ParentPay.**

Yours faithfully,

Mr J Earl  
Computing subject leader
