

Message from the Headteacher

Welcome back everyone!

I hope you all enjoyed the half-term break and managed to make the most of the lovely weather. It was certainly nice to have some sunshine and spend more time outdoors over the week.

Celebration Assembly

On Monday, we held our Celebration Assembly and announced the children who received the Headteacher Award. Congratulations to all of the children recognised for their hard work, positive attitudes and achievements.

Water Safety Information

Recently, schools across the country, including in South Yorkshire, have received additional information and guidance around water safety following some tragic incidents involving young people near open water.

As a school, water safety is something we already cover within our curriculum, and we will continue to look at ways we can further educate both our children and the wider community. Unfortunately, during periods of warmer weather, incidents like these become more common, which makes it even more important that we continue to raise awareness and share safety advice.

Please take some time to read through the information on page 4 of the newsletter and explore the helpful links and websites relating to general water safety.

'Let's Reclaim Childhood' Talk

A reminder that the 'Let's Reclaim Childhood' talk will take place on Thursday evening. Please see the poster below for further information.

SEND Update

I would also like to remind families that Ms Musgrove is currently on a phased return. Therefore, Mrs Thorlby will continue in the role of SENCO until the end of the academic year. Any correspondence or contact regarding SEND should initially be directed to your child's class teacher and/or Mrs Thorlby.

Football Success

We are also extremely proud of our Year 6 boys' football team and our Year 5 and 6 girls' football team, who both reached the City Finals this week. They represented the school brilliantly and should all feel very proud of their achievements and sporting conduct. We will be recognising their success alongside the rest of the school during next week's Celebration Assembly.

Have a great weekend!

Key Dates

6th June	Orienteering Meersbrook Park
8th June	Tapton in school for Y6 transition
8th June	Y4 Multiplication Tables Check
9th June	KES in school for Y6 transition
9th June	Music Concert 5.30pm—6.30pm
10th June	Y4 & Y5 SEND Reviews
11th June	Reserve Sports Day
11th June	Y3/Y4 Arches World Cup 2026 - Thorncliffe Leisure Centre
12th June	Y5 SEND Reviews
13th June	Choir singing at the Bishop's Garden Party

26th June	Around The World Festival
30th June	Y2 (new Y3s) Family Evening

This Week's Awards

Well done to the children who earned their Headteacher's Award this week.

Jude, Benji, Emily, William, Raff, Poppy, Finn, Amaya, Eve, Rosie, Daniel, Bayley and Ahmed.

House Points	
Steel	429
Cutlers	381
Originals	437
Peaks	409

Golden Broom Award Winners

Focus Value - Behaviour and Attitude

Our pupils will be encouraged to:

- Understand and embrace fundamental world values
- Be happy, friendly and caring
- Embrace difference and diversity
- Listen and respect other's thoughts, feelings and opinions
- Be respectful, tolerant and caring
- Be humble

A group of pupils took part in a dance competition before half term and danced in front of 1000 people! Well done!

NGJS children attended a swimming gala and did so well to finish as the seventh best school for their swimming in Sheffield!

Attendance

Please ensure that your child is on time for school. Children can be brought into the yard from 8:40 am. Learning in school starts at 8:50 am.

ATTENDANCE MATTERS

On Time: First Time, Every Time

Which CIRCLE are you in?

Attendance Winners

Congratulations to:

Y4HH and Y6PK

Every week, we will highlight the class in each key phase with the highest attendance.

England's target for 'free sugar' intake for your child
Recommended fruit and vegetable portion sizes are calculated using School Food Standards.
On average our desserts do not exceed a third of a child's recommended 'free sugar' intake.

THE MAYOR'S WALK & WHEEL CHALLENGE

18-22 MAY 2026

OLIVER COPPARD
SOUTH YORKSHIRE'S MAYOR

Thank you to all of you who took part in The Mayor's walk and Wheel Challenge before half term. There was a fantastic response with so many of you arriving to school in a sustainable way by walking, cycling or scootering. Many of you who need the car to get here, parked the car further away from school and walked the last bit.

Thank you!

School Swimming Service—Water Safety Advice

- **Cold Water Shock:** Open water in the UK remains dangerously cold all year round. Sudden immersion in water below 15°C can trigger an involuntary and dangerous response, including a rapid spike in heart rate and an uncontrollable gasp for air. This can lead to panic, hyperventilation, and drowning. Even strong swimmers are vulnerable.
- **Understand the Hazards:** Emphasise that open water - such as reservoirs, quarries, and rivers - differs significantly from swimming pools. Dangers include cold water shock, unseen currents, sharp debris, weed growth, and sudden changes in depth, even on warm days.
- **Active Supervision:** Always maintain constant, active supervision of children, even if they are confident swimmers. Unregulated swimming spots lack professional supervision (no lifeguards), making rapid rescue very difficult if someone gets into trouble.
- **Stick to Supervised Areas:** Encourage the use of managed, lifeguarded swimming facilities where professional water safety measures are in place.

Essential Water Safety Resources

- **"Float to Live":** This is a critical life-saving technique. We recommend sharing the [RNLI's Float to Live campaign](#), which provides a short, powerful demonstration on what to do if a child or adult finds themselves in difficulty in open water.
- **Classroom Education:** For schools looking to reinforce these messages in a structured way, age-appropriate lesson plans and assembly materials are available via the
- [National Water Safety Forum](#)
- [Royal National Lifeboat Institution](#)
- [Sheffield School Swimming Water Safety Scheme of Work](#) This can be delivered by school staff. It is cross curricular and all 20 lessons are stand alone. **We recommend that all schools use this in school to improve pupils water safety knowledge.**
- Swim England's [Oscar the Otter Video](#)
- **South Yorkshire Fire and Rescue Service:** Here is some key information from their [website](#) on water safety and drowning prevention.
- **The Water Safety Code:** A clear, four-point guide (*Stop and Think, Stay Together, Call 999, and Float*) available through the [Royal Life Saving Society \(RLSS\)](#).
- **Swim England Water Safety Posters:** [Downloadable Water Safety Posters - Swim England Learn to Swim](#)

Let's reclaim childhood!

Convened by Olivia Blake MP

Come to an evening of talks and discussion about the impact of smartphones on childhood. Expect open, non-judgemental conversation.

Hear from professionals representing education (Silverdale Headteacher), psychiatry, safeguarding, and policing, and from a local teenager & parent.

A discussion and Q&A will follow the presentations.

Understand the latest evidence and how we can work together to support our children.

When

Thursday 11th June
19:30-21:00

Where

All Saints Church :
Ecclesall
Ringinglow Road, S11 7PP

Reserve your seat by scanning the code or visiting
<https://bit.ly/3QSP2iY>.

Tickets are free but space is limited.
