Y6 Sports Crew – Lunchtime Club at Nether Green Infant School

Dear Parent/Carers,

Your child has been selected to attend Nether Green Infant School during lunchtimes to help support the younger children to boost their active minutes and improve their fundamental movement skills. This is part of the NGJS sport crew activities and is a great opportunity for sports crew to put their training into practice and to further develop their leadership skills.

The dates for the lunchtime clubs are as follows:

Session 1: Monday 15th June
Session 2: Wednesday 24th June
(More dates to be confirmed)

As Nether Green Infant School is such a short distance from school (Stumperlowe Park Road, S10 3QP) we will walk the sports crew there at 12.15pm. This will mean your child will be able to eat their school dinner or packed lunch prior to us heading up to NGIS. The lunchtime club will finish at 1.00pm, therefore we will be back at school for 1.15pm and your child will then join in with their afternoon lessons as normal.

For the lunchtime club, please ensure that your child is wearing their orange sports crew t-shirt and/or hoodie. They will also need to wear appropriate footwear in order to lead a physically active session. In the event of warm weather, shorts and a cap are recommended, plus a water bottle which we can carry up to the venue.

To give permission for your child to take part please complete details on Parent Pay.

Best wishes,
Mr H. Allen
