

Message from the Headteacher

Transition

The atmosphere around school yesterday morning was lovely to see as the children enjoyed their transition day. There were lots of excited faces when I visited every classroom, and it was great to see how ready the children looked for their next step. There was a real sense of enthusiasm across the school. We are very proud of how well all the children embraced the day.

Mobile Phones on School Site

As a reminder, we ask all parents and carers not to use mobile phones whilst on school premises. If you need to make or answer a call, please do so after leaving the school grounds. This helps us maintain a safe environment and supports our safeguarding procedures.

If your child needs to bring a mobile phone to school, it is expected that it is switched off before they enter the school gates and remains switched off throughout the school day. On arrival, pupils should hand their phone to their class teacher, who will store it securely until the end of the day. Phones should only be switched back on once pupils have left the school premises.

PE Kits – Changes for Next Year

From September, children in Years 3, 4 and 5 will be expected to come to school wearing their PE kit on their PE days. This will help us make the most of lesson time and maximise the time children spend being active. Children in Year 6 will continue to bring their PE kit to school and change on the day. This is partly to help prepare them for the routines they will experience when they transition to secondary school.

Key Dates

14th July

Y6 Leavers Concert, 2PM & 5.30PM

15th July

IR Leavers Party

15th July

Nurture Group Walk to Endcliffe Park (AM)

16th July

Y6 Leavers Party

16th July

KS2 results sent out to parents/carers
(were due to be sent out 7th July)

17th July

School closes to pupils

2nd
September

School re-opens to children

This Week's Awards

Y3MC Melissa

Y5BB Ivor

House Points

Steel	459
Cutlers	410
Originals	474
Peaks	444

SPECIAL MENTIONS

Congratulations to the following children:

Y3NH—Joss

Y4TH - Otilie

Y3WN - Elliot and Beatrix

Y5KB - Ayman and Haadi

Y4JE - Penny

Y6PK - Lilia, Lachlan and Sam

Y4HH—Harry

Y6JC - Albert

Well done to Penny in Y4HH who has gained her grade 1 distinction playing flute.

Focus Value - Independence

Our pupils will be encouraged to:

- Understand and embrace fundamental world values
- Be happy, friendly and caring
- Embrace difference and diversity
- Listen and respect other's thoughts, feelings and opinions
- Be respectful, tolerant and caring
- Be humble

Attendance

Please ensure that your child is on time for school. Children can be brought into the yard from 8:40 am.

Learning in school starts at 8:50 am.

ATTENDANCE MATTERS

On Time: First Time, Every Time

Which CIRCLE are you in?

Community - School Council

Greetings parents and carers we (the Y6 school council) have put together a lovely message from all of us. We have made amazing changes to our school and we can't wait to hear what the next school councillors do. - Lilia Boyle

I have really enjoyed being on the school council as it makes me feel like my voice is heard and I can make changes to the school. Some of the things we have done over the past year are: raise money for children in need, help change school dinners and do the Winter Olympics assembly. All of which I have really enjoyed. -Alma

I've enjoyed the school council because we get to do our school council assembly. I also enjoyed pairing up all of the ideas for the logo. One of my favourite assemblies was the Winter Olympics. I was really amazed that I was chosen to be a school councillor and I have thoroughly enjoyed it. I will be very sad in Y4 as I won't be one but I will be happy that somebody else will be getting a go at having this great experience. - Benji

I have liked being a school councillor because of the assemblies and going up in front of the whole school. I have liked making a new menu because the macaroni cheese is really nice. The new school logo will be really good. - Sylvia

I've loved being on the school council because there's loads of assemblies. There's a picture of the council members in the hall. I have loved being on the school council. I wish I could do it again. -Sam

I have loved being on the school council because it makes me feel important. I have loved doing the assemblies and telling my class messages. I am always delighted to get a line or two in assemblies because I love doing things in front of the school. It will be really sad to leave. -Maria

What I have really enjoyed about the school council is all the contributing and giving all the ideas from our class. I loved the responsibility and respect. The meetings were also super fun and you get loads of merits! Helping with the assemblies is very cool! -Lizzie

What I most enjoyed about the school council is that you can help the school upgrade. You can help with the assemblies and talk to your class. -Otilie

I really like being a part of the school council because it's a great opportunity to ask children for their feedback. It's also a great chance to speak in assemblies and share information about key dates. I like representing the school in lots of different ways and the school council was my favourite as we changed the whole menu. -Nuhah

The good thing about school council is that you can help make a change in the school and talk to your class and make assemblies. One change that we did in school council was the menu from suggestions from people around school.

I have loved being a part of the school council because we changed the school menu, we did an assembly about the winter Olympics. School council has made me stronger. -Rose

We enjoyed the meetings and assemblies because we missed lessons. -Timotei and Edward

I have loved being a part of the school council because we changed the school menu. I liked gathering information and opinions from my classmates.

I really enjoy school council because of all the assemblies we do. I feel like my voice has been heard.

I have loved being on the school council because of all the assemblies.

Spotlight on the Curriculum - History

The Y5s are learning all about the Great Plague. They have been really excited to learn about this immersive and sometimes a little gory aspect of our curriculum! They have just been on their trip to Eyam and had a fantastic time!

The children have viewed our world timeline (located outside the Y4 classroom) to find where the Plague sits chronologically. They also enjoyed viewing some of our local and specific Nether Green history that we have placed on the timeline. They have learned all about the interesting ways that people dealt with the Plague and have compared and contrasted it to the much more recent Covid 19 outbreak.

Celebrating previous learning:

We have also enjoyed lots of fun history topics throughout the year, that the children have shown a wonderful understanding of. For example, Y3s loved learning about what life was like for the Ancient Egyptians, the Y4s really enjoyed learning all about the Romans and the Y6s learnt all about the impact of World War II.

We also make sure we consistently re-visit our learning so children can embed their knowledge of history. We complete 'flashback history' sessions as a fun way to recall knowledge and support our application of the skills required to become a historian.

Year 3

Year 3 have enjoyed learning new coding skills using Lego Spike this half term. Having finished the unit, they were challenged to try a new 'build' of their choice and they did brilliantly. The excitement when they got their builds to move was a pleasure to see.

Year 4

Last week in DT, Year 4 designed and made prototype kites before taking them outside to test on the playground. The children explored how different shapes, materials and tails affected how well their kites flew, making observations about what worked well and what they could improve for their final designs. It was fantastic to see everyone showing creativity, teamwork and resilience as they tested, adapted and refined their ideas.

Last week in English, we used our teamwork and collaboration skills to create our own podcast book reviews! The Y4's did a fantastic job, adding their own flare and humour to their scripts and performing them excellently.

Year 5

Last week, Year 5 were excited to finally get to visit Eyam, the village we had been learning about in our plague topic this half term. We walked up to the Riley graves where 7 members of one family died within one week and spotted various important locations around the village such as the poem about the plague on the gates to the primary school, the plague register and stained glass window in the church, Catherine Mompesson's grave and the old stocks. We also had a fun visit to the museum where we discovered more about Eyam's history during and after the plague, and made our own posies and wrote petitions! All the children were fantastically behaved and it was a lovely trip!

It was also exciting to take some of our Year 5s to a new maths competition at King Edwards Upper School recently. They all did very well, showed fantastic maths skills and offered useful feedback for next year's competition.

Year 6

The Year Sixes had a fantastic afternoon selling their goods at the enterprise fair. Thank you to all of the support in the lead up and all of your purchases on the day!

Integrated Resource

Our year 5 children joined the school visit to Eyam and had a great time learning about the plague and how people lived and survived at that time. In Forest School we built a fire and enjoyed cooking marshmallows and chocolate filled bananas. In Life skills we worked as teams to build and program Lego Spike models.

Lunch Menu - w/b 13th July

NETHER GREEN JUNIOR SCHOOL

EAT SMART

Spring/Summer Menu Week 2

30th Mar, 20th Apr, 11th May, 1st Jun, 22nd Jun, 13th Jul, 14th Sept, 5th Oct, 26th Oct 2026

WEEK TWO	FAVOURITES MONDAY	WORLD TUESDAY	ROAST WEDNESDAY	PLANET PIZZA THURSDAY	FISH FRIDAY

England's target for 'free sugar' intake for your child
Recommended fruit and vegetable portion sizes are calculated using School Food Standards.
On average our desserts do not exceed a third of a child's recommended 'free sugar' intake.

Office Notices

Multi Skills After School Club

If your Y5/Y6 child goes to the Multi Skills after school club, please be aware that it was the last session this week and **WILL NOT** be taking place in the final week.

PE T-Shirts

We have plenty of PE shirts in the school office if you would like to purchase one before the end of term. They are £5.00. Please note that we are currently only able to accept cash payment.

School Dinners

On Thursday and Friday next week, there will be a change to the menu.

Friday's usual menu will be provided on **Thursday, 16th July**. On **Friday, 17th July**, Taylor Shaw will be providing a party lunch for anyone who chooses to have school dinners. Usual medical diets will be catered for.

Milk

The cost for your child to have school milk during the new academic year is £47.50 (190 school days @ 25p per carton).

Please order your child's milk and/ or make payment via PARENTPAY before Thursday 16th July 2026.

If your child is eligible for Free School Meals no payment is required, however you will still need to place your milk order via ParentPay.

Take a tour of Silverdale School

Is your child in Year 5 and attending Clifford All Saints School, Dobcroft Junior School, Ecclesall Junior School, Carterknowle Junior School, Greystones, Nether Green, Hunters Bar or St Wilfrid's?

Why not come take a tour around Silverdale School and discover what it would be like for your child to attend our school in Year 7.

Please note that there is space for a maximum of 3 individuals including children per family for the tours.

DATE: Wednesday 15 July 2026

Sheffield Young Carers

Sheffield Young Carers has put together a list of activities taking place in Sheffield over the summer for young people and families, in an attempt to help beat loneliness over the holidays. Most of these are free but some do have a cost attached & most need to be booked in advance. Please click on the links for more information.

- **Sheffield Healthy Holidays** - a variety of activities across Sheffield that are free for young people in receipt of free school meals* (need booked in advance). A full schedule of activities is now online here www.sheffieldhealthyholidays.org

- **Children's University** - a database of online and in person activities (some of these have a cost attached and need booked in advance) <https://www.childrensuniversity.co.uk/activity-search/>

- **Everyone Active Summer Programme** - Free sports activities across Sheffield (need booked in): <https://www.everyoneactive.com/news/free-summer-programme>
- **Summer Holidays Family Fun - Sheffield Museums:** <https://www.createsheffield.co.uk/thisseason/museumssummer>
- **Tracks music holiday clubs** - For young people aged 11 to 16 (priority given to young people in receipt of free school meals, needs booked in advance) <https://www.tracksuk.com/holidayclubs>
- **Creative summer activities in Sheffield** (different age criteria, some have a cost attached, some need booked in advance) : <https://www.createsheffield.co.uk/thisseason>
- **National Video Game Museum**- any ticket bought from 18th July to 1st September will give you unlimited access over the summer holidays: <https://thenvm.org/playallsummer/>
- **Pitsmoor Adventure Playground** - For young people aged 6 to 13, free to use but selected opening times: https://pitsmooradventure.org/?page_id=38
- **Adventure Playground in Sharrow** - Drop-in Play Sessions for families and unaccompanied 10-16 year olds: <https://www.sharrowcf.org.uk/children-and-family-support/adventures>
- **Gleadless Common Playground** - Free drop-in play sessions at Gleadless Common Playground during the summer holidays. Sessions are aimed at children aged 8+ and will include crafts, games, snacks, and plenty of opportunities to play, make friends, and spend time outdoors: <https://sheffieldplay.org.uk/playing-out-at-leadless-common-this-summer/>
- **Sharrow Community Forum** - Youth work sessions in Sharrow: <https://www.sharrowcf.org.uk/youth-work>
