# School Values

## Values

At Nether Green Junior School, our six values underpin every aspect of school life — including how we approach relationships and behaviour. Each value is actively taught, recognised and celebrated.

Effort & Resilience

Independence

Pride

Empathy

Teamwork

Respect

# Houses & Merits

## School Houses

We are proud of our Houses at Nether Green Junior School. They are **STEEL**, **PEAKS**, **CUTLERS** and **ORIGINALS** and all have a local story behind them, relating to our city, Sheffield and the local area.

**STEEL** celebrates Sheffield's history as a world famous producer of steel.

**PEAKS** recognises Sheffield's green credentials and its location close to the Peak District National Park.

**CUTLERS** commemorates Sheffield's history as a famous cutlery manufacturer.

**ORIGINALS** acknowledges Sheffield's place at the cutting edge of popular culture.

# Integrated Resource

- Our school is in the very fortunate position to have an Integrated Resource (IR) for 16 children with complex and significant special educational needs. All children placed have an EHCP and parents/ carers apply for a place through a separate process to mainstream children.
- These children sometimes join a class within their chronological age group for some lessons per week in order to help develop social and communication skills and to develop relationships.
- We embrace the personalities and strengths of these children and actively encourage our mainstream children to be good role models, patient, caring and empathetic members of our school.

# Communication

- School website – <https://nethergreenjuniorschool.co.uk/>
- Weekly whole school newsletter includes information about upcoming events/ key dates, including extra-curricular opportunities.
- A document outlining all of the planned opportunities for parents/ carers to engage with activities in school will be emailed and will be available on the website.
- Y3@nethergreen-jun.Sheffield.sch.uk

# Classrooms & Tour of the school

Teachers will now take you to your child's classroom:

- ▶ Mrs Meller and Mrs Coats
- ▶ Miss Hawkins
- ▶ Mrs Wing and Mrs Neal
  
- ▶ Please ask any questions
- ▶ The office staff and After School Club will remain in the main hall so you can ask questions and or hand in your forms

Have a great summer!
