Issue 11 20th November 2026

Nether Green Junior School

Message from the Headteacher

Restorative Conversations and Peer Mediators

In assembly today, I spoke with the children about restorative conversations and what all the staff in school do to support children when things go wrong. Disagreements and fallouts are a normal part of growing up, and when they happen, we help the children talk through what happened, how it made everyone feel and what they can do to put things right.

I also shared that our house captains will be supported to become peer mediators, helping other children to talk through small disagreements at break and lunchtime. This will be a gradual process. The house captains will be trained and supported by staff every step of the way, and adults will always be there to deal with incidents and support every child involved. It is just as much about all our children understanding what a good restorative conversation looks like, and knowing what is right and wrong, linked to our school values of Respect and Empathy. This builds on our Relationships and Behaviour Policy and the relational approach we take in school, where we believe strong, positive relationships are at the heart of good behaviour.

Our Value for This Half Term: Pride

Our value for this half term is Pride. We talked in assembly about taking pride in our work, in how we treat each other and in our school. Do ask your child at home what they feel proud of.

Anti-Bullying Week

During Anti-Bullying Week, we have been focusing on kindness, respect and standing up for one another. In our phase assemblies, we explored this year's theme, 'Break the Silence', shining a light on the hidden nature of bullying and encouraging everyone to speak up, listen, and take action. Our Life Skills lesson for this week also focused on anti-bullying and classes have created their own kindness jars and took part in drama activities. It has been a fantastic week full of positivity, kindness and important messages about making sure everyone feels safe, happy and included.

Year 5 in the Wonderdome

Our Year 5 children had a great time in the Wonderdome on Wednesday. It was a brilliant experience for them, and it has been lovely to hear them talking about it around school.

Can You Help With Our Arts Council Project?

A last shout out for our Arts Council project to enhance our stage area. We are looking for a carpenter or joiner who could help us with the work. If you are one, or know someone who might be able to support us, please get in touch with the school office. We would be really grateful for any help.

Key Dates

23rd	November	Y5 Squash Taster Session
23rd	November	Y4 Open Classrooms at 2.45pm
24th	November	Y3 Open Classrooms at 2.45pm
25th	November	Flu Immunisations
